Call 9-1-1 IMMEDIATELY
at the first sign of a heart attack.

Many Montanans don't survive a heart attack because they don't get treatment in time.

Take action, even if experiencing just one of these symptoms:
Chest pain or discomfort Cold sweat
Upper body pain or discomfort Jaw pain
Nausea or lightheadedness Shortness of breath

Thanks to Mission: Lifeline Montana, an initiative from the American Heart Association, new life-saving equipment is available on ambulances throughout the state.
